HARBOUR MASTERS INSTRUCTION

EXT HMI 26-24

To facilitate the dive operations **KULANDA** will be anchored in various locations, which may include mid-channel, within the Mersey River Swing Basin, and displaying the International Code of Signal Flag "A".

KULANDA are to contact **DEVONPORT VTS** prior to anchoring/ dive operations and upon completion of dive operations each day.

KULANDA and **associated divers** are to be clear of the Mersey River Swing Basin at least 30 mins prior to the POB time for inbound scheduled shipping, or 30 mins prior to scheduled departure of scheduled shipping, and to advise **DEVONPORT VTS** accordingly.

KULANDA is to advise **DEVONPORT VTS** when divers are clear of the water, and prior to divers re-entering to the water.

KULANDA is to maintain a listening watch on VHF Ch 14 at all times whilst undertaking dive operations and when navigating within port waters.

Mariners are requested to keep well clear of the diving operation marked by the International Code Signal Flag "A", maintain a speed not exceeding 5 knots within 120m of the vessel **KULANDA**, and navigate with caution.
