

Title: Wharf 3 East - Sheet Pile Wall & Supporting Steelwork

Port: Devonport

References:

Description: Sheet Piling & Installation of Steel Work

Duration: Monday 15th January to Friday 31st May 2024

Activity:

Hazell Brady Joint Venture (**HBJV**) will be constructing a sheet pile wall & supporting steel work in front of Wharf 3 East using cranes (on wharf) & work boats. Works will be operating on, under & in front of Wharf 3E in the area highlighted below. Works will be undertaken **Monday to Saturday 0700 to 1700**

Installation of substructure steel work will occur between 15/01/24 till 16/02/24.

Installation of sheet piles will occur between 16/02/24 till 31/05/24.

HBJV workers are to contact **DEVONPORT VTS** via VHF channel 14 daily prior to commencement of on water works, and daily on completion of works.

DEVONPORT VTS will advise of any expected vessel movements likely to affect the **HBJV** operation.

When on/ in the water the work crew are to maintain listening watch on VHF 14 at all times.

All vessels are advised to maintain low wash in the vicinity of the works and keep a safe distance away from Berth 3 East and assisting vessels (work boats) (50m minimum requested).
