**Title:** Berth 3 Wharf Construction Works

**Port:** Devonport

**Description:** Location of wharf construction activities

**Duration:** 01 February 2024 to 01 July 2024

---

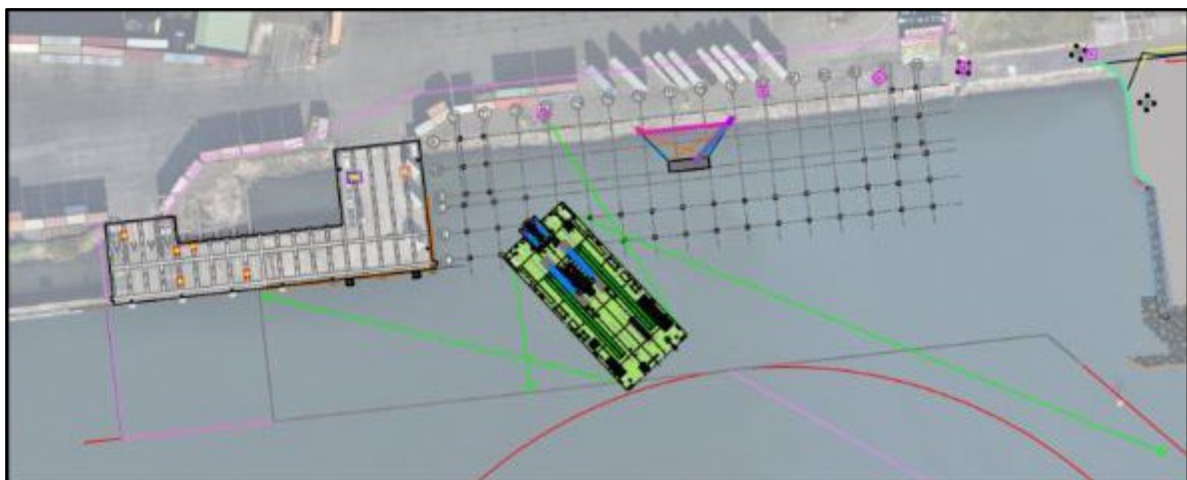

*HMI 23-17 is hereby cancelled.*

### Description:

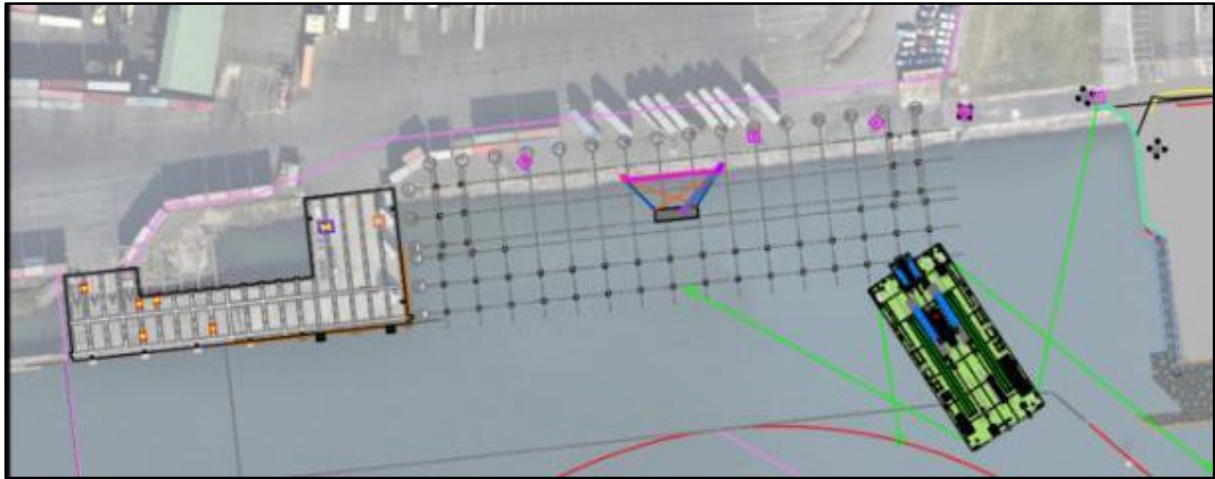

As part of the development of the new TT-Line terminal Hazell Brady Joint Venture (HBJV) will be undertaking wharf construction works within the Devonport 3 East Construction Zone. The 55 x 24m crane barge *Rebecca Lily* will be held in position and manoeuvred using anchors and winch wires.

*Berth 3 East Construction Zone and Rebecca Lily*

*Typical mooring and vessel location 1*

*Typical mooring and vessel location 2*

The anchors and mooring lines will be moved from time-to-time. The location of the anchors will be marked by a yellow steel can buoy with a flashing yellow light. During operations the barge may extend into the swing basin at times.

Construction piles and materials will be delivered to the *Rebecca Lily* via a transport dumb barge from the pile loadout facility at the 6 West mooring.

*Pile Delivery Passage Plan*
