

HARBOUR MASTERS INSTRUCTION

EXT HMI 24-54

Title: Remediation Works Berth 1 West

Port: Devonport

Duration: 14 May 2024 – 14 April 2025

Description:

HMI 24-30 is hereby cancelled and replaced by HMI 24-54 due to extension of works time frame.

Marine & Civile Maintenance (MCM) will be completing remediation works at Berth 1 West, Port of Devonport. The works will occur both underneath and above Berth 1. These works will include diving works.

Contractors are instructed to:

- Call **Devonport VTS** on **VHF Ch 14** prior to commencing each day on water activities.
- Maintain a listening watch on **VHF Ch14** at all times.
- Adhere to all TasPorts Diving Permit requirements.
- Display appropriate flags on Berth 1 West while diving operations are taking place.
- Notify **Devonport VTS** that all personnel are clear of the area 1 hour prior to a scheduled vessels arrival.
- Notify **Devonport VTS** in the event of any emergency.
- Notify **Devonport VTS** on the completion of each day on water activities.

Emergency contacts:

DEVONPORT VTS	VHF CH14
Dive Master: Bridget de Lange	0408 102 935
MCM Site Supervisor: George Buldecki	0478 071 876
TasPorts Project Manager: Jacob Rootes	0408 731 370
