
Title:	Berth 3 East – Seabed Levelling-Diving Operations
Port:	Devonport
References:	Aus 164
Duration:	27th January 2025 to 31st March 2025
	Nominally Between 0700 hours to 1700 hours on weekdays.

Details:

Diving operations will be taking place in the Southern end of Berth 3 East and the Stern Ramp revetment where there will be seabed levelling and inspections undertaken.

Port Operation Controls:

All port vessels are advised to maintain a low wash in the vicinity of the works area and keep a safe distance away (50 m minimum) from the dive location during the hours of operation.

VTS will be able to advise upon request of any expected vessel movements likely to affect the operation.

All vessels are to keep VTS updated of any changes to their scheduled departure times specifically if the vessel wishes to depart ahead of schedule.

Divers are to be on the surface and in a place of safety well clear of the swing basin 15 minutes before any scheduled vessel movements or at any time as directed by VTS.
