

Title: Mersey River beacon 13 – Temporary Removal
Port: Port of Devonport
Duration: 11/06/2025 – 01/12/2026

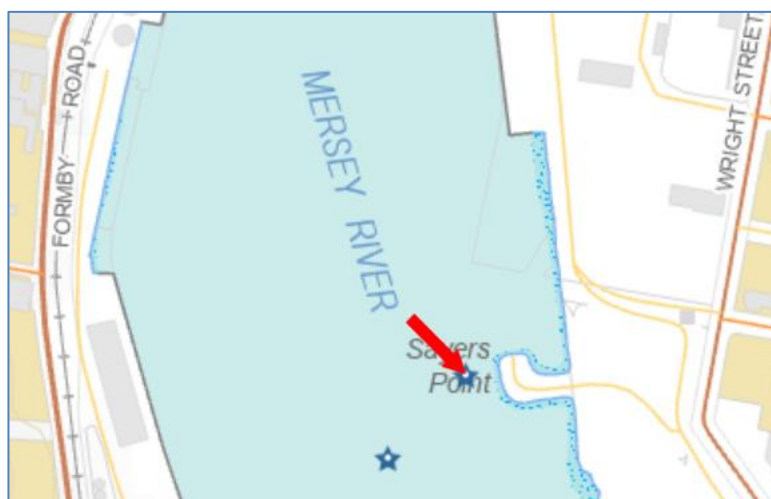

Description:

Mariners are advised the Mersey River beacon no 13 lateral mark (adjacent to Sayers Point) has been temporarily removed to allow for waterside piling works associated with berth construction at Devonport berth 3 West (new TT Line berth).

Whilst the topmark has been removed, a stub end of the supporting pile remains embedded in the riverbed and poses a hazard to navigation.

The previous beacon location and stub end has been marked by a Yellow Buoy with flashing light characteristic.

The beacon no 13 topmark will be reinstated as the works near completion.

Mariners are requested to keep well clear of the site and navigate with caution.
