

**Title:** Diving Operations – Quay Link Berth 3 East

**Port:** Devonport

**References:**

**Description:** Berth Pocket Survey Works (Diving)

**Duration:** From 24/07/2025 To 25/07/2025

### Services Provided:

Tasmanian Divers Group (**TDG**) will be undertaking dive works for Hazell Brady Joint Venture (**HBJV**). HBJV will be conducting an underwater survey of the berth pocket for Berth 3E. The work will involve the use of a Survey Boat and divers to guide survey equipment underwater. Works will be undertaken between 0700 to 1700hrs.

*Berth 3 East Work Area*

All port vessels are to remain outside the work area and construction boundary except for vessels required to utilise the swing basin or arriving/departing from Berth 2 East. Such vessels must obtain approval from **DEVONPORT VTS** prior to arrival and departure.

## Dive Operation Controls:

Divers must display the Alpha dive flag in the dive location when diving is underway.

Dive Supervisor must call **DEVONPORT VTS** on VHF 14 or 6380 3013 each time a diver enters or leaves the water. End of day's diving is to be confirmed with **DEVONPORT VTS**.

For scheduled arrival shipping movements to all berths, divers are to be out of water at Pilot On Board (POB) time.

For scheduled departure shipping movements divers are to be out of water 30 mins prior to scheduled Last Line on vessel departures from all berths with the exception of Berth 2 East which is to be 45 mins prior to the scheduled departure from this berth.

The dive crew are to maintain a listening watch on VHF 14 at all times.

## Port Operation Controls:

All port vessels are advised to maintain a low wash in the vicinity of the works area and keep a safe distance away (50 m minimum) from the dive location during the hours of operation.

**DEVONPORT VTS** will be able to advise upon request of any expected vessel movements likely to affect the HBJV operation.

All vessels are to keep **DEVONPORT VTS** updated of any changes to their scheduled departure times specifically if the vessel wishes to depart ahead of schedule.
