HARBOUR MASTERS INSTRUCTION

EXT HMI 26-04

Title:	Photogrammetry survey works
Port:	Port of Devonport
Duration:	From 10/02/2026 To 10/02/2026
Description:	Drone photogrammetry works, berth 5 West

Services Provided:

Contractors operating from the wharf will be undertaking aerial photogrammetry via drone of berth 5 West.

These works will take place during daylight working hours approximately between 0900 and 1500, and only commence once departing shipping movements have been completed from the applicable berth, and are to cease no later than 1 hour prior to the expected time of arrival (ETA) of vessels berthing at the applicable berth.

Contractors are to notify **DEVONPORT VTS** at the following times:

- prior to the start work at a location,
- on cessation of work due to impending shipping arrival,
- prior to a change of work location,
- at the conclusion of each day's work.

Mariners are directed to not approach the Berth 5W during the works period unless approved by **DEVONPORT VTS**, otherwise to keep well clear.

In event of emergency, initial contacts are:
