

Title: Wharf underwater inspections (ROV)

Port: Port of Hobart

Duration: Mon 06 May – Fri 24 May 2024

Description:

From Monday 6th May till Friday 24th May 2024, contractors TD Consulting and BECA on behalf of TasPorts will be undertaking underwater wharf inspections by use of a Remotely Operated Vehicle (ROV).

The inspections will be carried at the following locations, subject to berth availability and suitable weather:

- Hobart waterfront
- Mac 4/5
- Domain Slip
- Self's Point

The ROV will be operated from the respective wharf apron where inspection is being carried out.

A dive flag Alpha will be displayed to signify the underwater operations at that location.

The inspection team are to advise HOBART VTS prior to the commencement and again on completion of each days ROV activities.

Mariners are requested to keep well clear and navigate with caution.
