

Title: Pile driving & Fender installation works

Port: Port of Stanley

Duration: 17th May till 5th July 2022 (approx.)

Description:

Mariners are advised that pile driving and fender installation works will be taking place within the Port of Stanley between the 17th May 2022 till approx. 5th July, unless complete beforehand. The areas of work are the Stanley Marina, and the Stanley Wharf.

The works will involve the Landing Barge **KULANDA** undertaking pile driving and the fender installation works.

The **KULANDA** will coordinate the works through **STANLEY VTS**.

During work process, **KULANDA** will install mooring blocks and have submerged mooring wires running from the vessel.

Commercial vessels are requested to indicate their intentions for use of the Stanley Wharf via **STANLEY VTS** at earliest convenience in order to minimise the impact to shipping operations.

Mariner's are requested to keep well clear.

Captain Wendy Doran
Harbour Master - Tasmania
