

STANLEY RECREATIONAL FLOATING PONTOON

The new recreational floating pontoon in Stanley has been installed and, in recognition of the desire by the community to access the Port of Stanley over the Christmas and New Year period, the new facility will be made available for recreational use from Friday 23 December 2022. An official opening will take place in the New Year.

TasPorts is committed to ensuring the safety of all port users, therefore the following information must be followed:

	Length (up to)	Tonnage	Declared Depth
Berth 1	12m	15	3m
Berth 2	10m	15	3m
Berth 3	15m	15	3m
Berth 4	13m	15	2.7m

It remains the responsibility of each vessel owner/operator to determine suitability of the facility restrictions for their vessel.

For all general enquiries regarding this facility please contact 1300 366 742 or reception@tasports.com.au and via radio Stanley VTS, VHF Channel 14.
