

# TASPORTS SITE RULES CONTRACTORS AND OTHER WORKERS

## The TasPorts Site Rules – Contractors and Other Workers are to be read in conjunction with “TasPorts Site Rules”.

All workers, including contractors, must comply with all reasonable and lawful directions by TasPorts.

The Site Rules are a condition of employment, must be followed at all times and apply to everybody.

If you determine that a task cannot be carried out safely, do not start or continue to perform the task.

If you observe someone else failing to follow a Site Rule, please intervene if it is safe to do so.

a) Hold current comprehensive vehicle insurance policies for any vehicles you need to bring onto TasPorts’ facilities.

b) Hold a current Workers Compensation Insurance Policy for your workers or appropriate Personal Insurance coverage for yourself and provide evidence of such to your TasPorts representative.

c) Hold Public Liability Insurance, the level of insurance should be appropriate to the identified risk exposure.

d) Ensure TasPorts is provided with updated copies of all relevant certificates of currency as they are renewed.

e) Where work is carried out on behalf of TasPorts, you must provide the following:

- Completed and signed TasPorts Contractor Acknowledgement and Evaluation forms, including evidence of all relevant licenses, certificates and policies.
- Copies of risk assessments and JSEAs/SWMS as required for all tasks being conducted and all plant and equipment being brought on site.

f) Conform to all relevant TasPorts safety policies and procedures as a minimum.

g) Give prior notice to your TasPorts representative of any chemicals being brought onsite and supply Safety Data Sheets (SDS) no older than five years to ensure storage, handling, and use are compliant.

h) Not bring Mobile Cranes onto TasPorts property unless a Mobile Crane Permit has been completed and authorised by a TasPorts representative.
